

Call for Volunteers to join our Board of Directors

We are seeking the involvement of leaders within our community to support and advance the Gilbert Center's vision of maintaining and achieving programming that meets the needs of the HIV and LGBTQ2 communities within our catchment area of Simcoe Muskoka.

We have a particular need for the expertise of a lawyer, an accountant, and individuals with experience in HR, Finance, Business, Government, and Marketing/Communications.

The Gilbert Centre values lived experience of community members as a part of good governance and accountability.

Who Are We?

The Gilbert Centre is a community-based, not-for-profit organization that has been providing programs and services for over 30 years. In 2015, in part to recognize the reality of people with HIV not developing AIDS, but living health lives with HIV, the organization changed its name from the AIDS Committee to the Gilbert Centre for Social and Support Services. The Gilbert Centre, named after our founder Ed Gilbert, not only reflects the change in HIV, but also embraces the expansion of programming to serve lesbian, gay, bisexual, transgender individuals, and families in the Simcoe Muskoka area.

The Gilbert Centre takes a broad, social determinants approach to our work that is based in social justice, health equity and human rights. We seek to engage individuals, families, organizations, institutions and communities as partners and collaborators in the work we undertake.
